10 Days of Spectacular Trip In Total India (Spiti)!!

After 4 months of following up with Team, we finally booked the tour and went for a 9N10D Spiti package for 10 Pax. We had booked 1 Innova and 3 Himalayan bikes for entire tour along 1 support Vehicle (Ertiga). Believe me this was one of the best trip for entire group. It was so well organized by Team RAJ (Ramit, Arun, Jagdish) that we had most memorable journey of our lifetime. Everything was on point i.e. planning, hotels, food, management, bikes, etc. There was a point at the end where we actually thought that they are part of our group due to their personal touch in every day's journey. Every night they used to take an update of the next place regarding safety to visit and travel. In the end, don't just think twice to book with them. They are best in business and you'll definitely enjoy the journey with Rental Packs !! Kudos to Team Rental Packs a.k.a RAJ (Ramit Arun Jagdish) !!

We went in mid-august to spiti from shimla and returned to shimla . All the bikes we hired were in crisp conditions. They did not trouble us at one bit. We travelled around 1200kms but the bikes never gave up Even these guys Jagdish, nameet and arun always had our back and were never deserted. They have been the best tour organizers and now are great long distance friends.

These people are highly recommended. Go once with them and it would be a cherished experience.

Cheers brothers!!

Extremely happy with their service. They also provide full help in off hours as well. I was given Bajaj Avenger 220cc for spiti and kinnaur valley ride, it was in excellent condition, fully serviced and I faced no problem on my route to pangmo from shogi. The most crucial part( for solo riders) You can easily cover the circuit (shogi to shogi via manali) also on this bike with very less expenditure on fuel. I spent just 2000₹ on shogi-peo-kaza-pangmo-tabo-shogi route (6 full days with 7-8h daily drive)

Really enjoyed the service and the route 😊

Fully recommended

Thanks to rental packs. My dream of completing Spiti circuit became possible because of Ramit (Rental Packs owner) who provided me all sort of services and guidance whenever required. The bike was delivered in a good condition and the process of hiring was quite hassle free. Overall for me it was a good experience.

This was my 1st ever solo trip. The very 1st day i realized that using public transport or taxi would not help me save time and this is when I decided to rent a bike. Thanks to Rental Packs especially Ramit for his humble nature and motivation as this was for the very 1st time I ever rode a Royal Enfield all by myself as I used to be scared of the beast. The machine was in an absolutely perfect condition, serviced and clean.

Ramit on the other hand made things so simple and easy with an amazing deal that I could not deny. Guess what Rental Packs just added a great adventure to this trip. For the biker in you who is planning to rent a bike in the mountains while travelling to shimla, I'd highly recommend to contact Rental Packs!! 🤘🤘

After countless hours of internet searching, finally came to this place. Gotta say the experience was absolutely amazing! They helped me out in the entire process. The Himalayan that they gave was in impeccable condition also. Even in the rainy season, they were prompt in the delivery as well as the on-site pickup. Not to mention great attitude also. Would definitely recommend to anyone looking for a trustworthy bike rental in shimla.

I have contacted them for my first ever spiti trip in April'22 and I must say they are awesome. Starting from queries till submitting the bike experience was amazing. I was quite nervous tbh but these folks were always reachable over phone even with the silliest of my doubts. They even suggested me with my packing and stuff. The day I've reached Shogi it was early morning and the bike was delivered just in time with all the accessories as were promised. I have had around 6days to complete the circuit so had to cover distances of 200+km everyday and the bike performed brilliantly , didn't even break a sweat even in the trickiest of Spiti roads. After I came back and submitted the bike the refund was instant. 100% recommended place if you're hiring bike at Shimla and atleast for me If I'm ever in that region and looking for a bike I know whom I should get in touch with. Huge thanks to Ramit Verma and Jagdish Thakur of Rental Packs for making this trip such a memorable one.
